■ DISTRIBUTION ENCLOSURES

ECOLOGY series of distribution enclosures can be sealed and they are provided with opaque or transparent (UV protected) reversible windows. **They are made from halogen free long-lasting plastic material** and equipped with dust caps for wall mounting screws and 1/4 quick locking unloosable screws.

They have supports for mounting plates fixing, they are prepared for installation of earth and neutral bars and cable entries are adapted to the metric system. On the 26 and 57 modules versions DIN rail can be adjusted on its height.
